

Septic Haulers

We want your Septic Haulers Business!

Commercial Auto Insurance

Pumper Truck:

- **Replacement Cost Coverage** available on Pumper Trucks 10 years or newer.
- **Optional Pollution Coverage** is available for the transportation and loading/unloading of pollutants from a covered vehicle. *(Automatically included in New York)*
- **Broad Form Coverage** offers a host of coverage extensions at a reasonable price.

Commercial Package Insurance

Written on CMP or MAP® Contractors Package depending on risk attributes.

Property:

- **Business Income or Interruption Coverage:** Protects you against loss of income when your business has suffered a property loss from a covered peril such as fire, theft or vandalism. By insuring your building, you can extend the coverage to your pumper truck. Available for risks written on a CMP only.

General Liability:

- **Septic Systems Design and Inspection Professional Liability Coverage:** For those businesses that design and inspect septic systems. Provides coverage for sums that you become legally obligated to pay because of "damage to a septic system" to which this insurance applies. *Available on MAP® Contractors Package and CMP.*
- **Contractor's E & O Coverage:** Provides coverage for property damage to property commonly excluded by Commercial General Liability policies -- such as your work, your products, or impaired property. *Available on MAP® Contractors Package.*

Inland Marine Coverage: Replacement Cost may be available.

Cyber Liability Coverage: Available to protect against cyber exposures at a fair price.

Employees:

- **Employment Practices Liability Insurance (EPLI):** Protects you against claims made by employees alleging discrimination, wrongful termination, harassment and other employment related issues.
